

MINITEC

Tactile remote control enclosures – perfect design for ‘personal’ electronics

MINITEC plastic enclosures convince the user with their mini-dimensions and maximum-benefits. Choose between “MINITEC EDGE” design, or “MINITEC DROP” shape.

- modern, flat styling *** **iF product design award** ***
- easy to wear and always within easy reach, e.g. round your neck or round your wrist, on your key ring or on a belt
- intermediate rings in different versions and colours; TPE material for a pleasant touch sensation and impact protection
- ABS (UL 94 HB); also available in infra-red light-permeable PMMA plexiglas
- recessed operating area for protecting the membrane keypad or decorative foil/label; MINITEC Edge models also with smooth top for push-buttons
- protection class IP 41: design Edge (size M) and Drop (sizes S and M) with intermediate ring in TPE, all others IP 40
- ordered as individual components for multiple type/colour combinations, 3 sizes each

To achieve one MINITEC, please order:

1 bottom and top part
1 intermediate ring
(screw supplied with case)

Designer Statement

"Fresh colours and shapes for an active public: you can wear MINITEC close to the body, on a lanyard, belt or wrist strap. Mobile smart home functions and IoT solutions can be optimally integrated in MINITEC. Two design variants – an organic form 'Drop' and a more technical design 'Edge' – in conjunction with colourful applications offer the opportunity to make a system perceptible. A clever enclosure that becomes the visible and tangible ambassador for your product!"

Martin Nußberger, polyform Industrie Design

Applications and Examples

Many different types of remote control systems. Specially made for the medical and social fields as well as in the household and in industry, e.g. emergency systems, monitoring and alarm equipment, radio remote control etc. Mobile USB solutions, e.g. compact measurement devices with data recording used as data logger sticks. IoT/IIoT applications. Wearables.

A personal alarm on your mobile phone

GPS tracking in real time

LoRa GPS tracker with alarm button

Mobile air quality monitoring

Mobile RFID information system

Mobile Security Solutions for workers

Mobile UHF RFID scanner

Portable ultrasonic device for veterinary medicine

Radio paging systems

Radio transmitter for emergency call system for patients

RFID sensor transponder and data logger

Smart TAG

Tension meter for measuring belt pretension

Customising Options

What do you still need for your own very personal product? We can supply enclosures and tuning knobs with all necessary modifications for fitting your electronic components. Customising options for Minitec
