

### Handheld enclosures for measuring instruments

Tried and tested, simple and economic handheld plastic enclosures.

- · designed for mounting digital or analogue LCD display modules
- · accessory acrylic windows protect the display modules and are easily fitted with the self-adhesive foils
- battery compartments for C, AA and 9 V cells
- snap-in battery compartment lids for quick battery replacement
- versions with/without switch cap (type P)
- raised front area on the bottom part to accommodate plugs
- tilt foot bar for ergonomic desktop applications
- top recess for mounting membrane keypads (types M, N)
- · internal screw pillars for mounting PCBs

### Applications and Examples

- Useful range of handheld cases for mounting digital and analogue instruments
- Ideal for housing measuring and control technology e.g. continuity checkers, volt meters, field intensity meters, digital thermometers, flow meters etc.

Dosemeter
