Enclosures with integrated plug

Our PLUG CASES provide an extremely functional solution for your electronics: robust and impact resistant.

- plastic enclosures in flame-resistant material (UL 94 V-0)
- country-specific versions "Germany" and "France"
- German version also with integrated socket
- robust and impact-resistant material; the ball-thrust hardness test is performed at 125°C
- internal fastening pillars for PCBs; four self-tapping screws are included
- protection class IP 40

For enclosures with integrated Euro plugs please refer to our ART-CASE range

Customising Options

What do you still need for your own very personal product? We can supply enclosures and tuning knobs with all necessary modifications for fitting your electronic components.
